Re: United States Application Serial No. 09/602,537

Dear Ms. Hood:

As you requested during our telephone conversation of June 25, 2003, enclosed are a clean copy of the formal drawings filed in connection with the above-referenced application and a copy of the Issue Fee Transmittal filed in connection with the above-referenced application. As you indicated, the originally filed drawings were damaged during the irradiation process and, for some reason, the original filed Issue Fee Transmittal was missing from the file. Please do not hesitate to contact me if you have any other questions regarding the above-referenced application.

Sincerely,

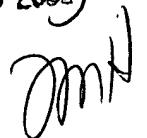

Philip E. Levy
